WRAPAROUND

## COMPLETE WRAP AROUND

With 15 years experience in schools, clubs and holiday camps, we are experts in delivering active and enriching Ofsted registered childcare.

### SERVICES

- Breakfast Clubs

Typically run an hour before school, these sessions provide social, stimulating and energising activity which engages the body and mind in preparation for the day ahead. All breakfast clubs include a healthy, nutritious breakfast.

- After School Clubs

These sessions usually run until 6:00pm, but this is dependent on the school. It is important for us to create an environment that does not feel like an extension of school, and we always encourage that children take part in some of the fun, inclusive physical activities we have on offer, as well as the numerous other activities we provide. For those staying past 4:30pm, we offer healthy snacks and nutritious light meal.

### ACTIVITIES OFFERED

Activities may vary between sites, but we offer child led activities such as:

Sports: Dodgeball, Football, Tennis, Badminton, Tag Rugby, Cricket, Unihoc, Gymnastics, Athletics, Basketball, Netball, Archery, Multi-Sports, Table Tennis, Outdoor Free Play etc.

Alternative Activities: Arts & Crafts, Homework Corner, Lego Master Builders, Board Games, Speed Stacking, Movie Making.
